

SUPPORT YOUR ENERGY EFFICIENCY INDUSTRY BY BECOMING AN EEBC MEMBER TODAY!

Your membership dollars assist in covering the costs and legal fees associated with advocating, influencing, maintaining, and growing residential and commercial energy efficiency utility, state, and city rebate programs and market development for our members' gas and electric products and services.

Your EEBC membership provides your company a platform to voice your ideas and influence market development in 2022 - assisting our industry to meet the Decarbonization/Carbon-Free Energy Transition Goals by 2030.

- PUC Settlement Process — rebate programs and product incentive development
 - Strategic Issues Filing — sets goals for the next 5-years [Xcel Energy & BHE]
 - Xcel Energy's 2023-24 rebate program, Demand-Side Management [DSM] Plan
- Colorado's statewide energy efficiency legislation
- Statewide energy efficiency business trends – utilities, cities, & state stakeholders
