

# The Rocky Mountain Building Maintenance and Engineering Expo

**Bring your Whole Crew, Tickets are free**

**Keeping up with today's modern building technologies is challenging. Professional facility operators understand that maintenance "best practice" is always evolving and keeping up with advancing knowledge is now more important than ever. New sustainability regulations, power storage, renewable DC power, car charging, benchmarking.... The list goes on. Come to meet commercial technicians of all types and learn new "best practice" techniques to keep your building running right.**

**When: October 4<sup>th</sup> 9:00 to 4:00**

**[www.DenverLEA.com/RM-Building-Expo](http://www.DenverLEA.com/RM-Building-Expo)**
